Emergency Care

If your pet becomes *ill or requires medical treatment* during his/her stay and you cannot be reached, does Canine Club have your permission to use any and all reasonable and customary measures necessary to treat your pet?

Yes No I understand by choosing "no" that I may be compromising the health of my pet. (initials)

Preferred Vet Clinic for care: Name Number

I understand that Canine Club will try to accommodate my request but may use Falcon Valley Animal Hospital for emergency care services or if vet listed above is unable to see my pet. I agree that I am fully responsible for any costs associated with seeking this treatment and/or ongoing treatment.

Agreement:

Initial each statement below

Owner understands that all dogs aged 6 months or older participating in daycare **must** be spayed or neutered.

Owner understands Canine Club will not provide daycare for your pet without updated and current vaccination documentation. We must have on file or be provided with vaccination documentation and medical records to include current expiration dates for the following vaccinations: Rabies, Distemper, Bordetella (6 month), Fecal, Canine Influenza. All vaccines must have been received **at least 24 hours prior** to daycare visit.

Owner understands that pets are expected to be up to date on parasite prevention. If fleas or ticks are found on pet, Canine Club will administer flea control and owner will be responsible for costs associated, average cost around \$23.

Owner understands that Canine Club recommends feeding any dog attending daycare 1.5 hours prior to arrival to prevent instances of bloat or stomach upset. A meal can be dropped off with your dog and given during lunch time hours (between 12-2) with a 1.5 hour break from daycare after feeding, if owner prefers.

Canine Club reserves the right to remove owner's dog from daycare at any time if we believe it is necessary in order to protect the health and well-being of your dog, other dogs, or our staff.

Owner understands that Canine Club does not offer behavioral training and is not liable for behavioral issues of any kind that were preexisting or occurred after a visit to Canine Club.

Owner agrees to pay all costs and charges for any services requested (grooming, bathing, treatments, boarding, etc.)

Owner agrees to be solely responsible for any and all acts of behavior of pet while it is in the care of Canine Club. Owner understands that Canine Club provides an all-play environment and this setting is not without some risk of injury.

Owner agrees that Canine Club is not responsible or liable for any lost, stolen, or damaged personal property belonging to you or your dog.

Owner agrees to be fully responsible for the full cost of any repair or replacement of property and/or equipment damaged or destroyed by your dog while at Canine Club.

Owner specifically represents that they are the lawful and valid owner of the pet, free and clear of all liens and encumbrances.

Owner agrees to pay any applicable boarding fees if pet is not picked up by closing time of 7:00pm Monday-Friday, 5:00pm Saturday and Sunday

Owner agrees to satisfy all payments at the time of service which begins when the dog is dropped off. All charges are non-refundable.

Owner understands that Canine Club will exercise all due diligence and care in the guardianship of your dog.

Owner hereby waives and releases Canine Club, Falcon Valley Animal Hospital, its employees, owners, and agents from any and all liability of any nature, for injury or damage, including that which may result from the action of any dog including my own. By accepting these terms of service owner fully understands the conditions of agreement and understands that they have given up substantial rights by accepting them and have accepted them freely and voluntarily without any inducement, assurance, or guarantee and intend it to be a complete and unconditional release of all liability to the greatest extent permitted by law.

Do we have your permission to use your dog's image or videos on social media or our website? Yes No
